Municipal bonds are subject to availability and change in price.

Double tax free bonds are bonds that are exempt from both federal government and state income taxes. The exemption in state tax is only applicable to individuals who are permanent citizens of the state where the bonds are issued.

May be subject to local tax and/or alternative minimum tax.

Bonds are subject to market and interest rate risk if sold prior to maturity, bond values will decline as interest rates rise.

Securities offered through LPL Financial, Member FINRA/SIPC
